To apply, you'll need to add the 18.01 Autodesk application to Autodesk360 registration. To check a current registration, go to in your browser. Once you are logged in, search for Autodesk 360 in the search box on the top right hand side of the screen. When you see Autodesk 360, click to register on the right hand side of the screen and then accept the terms and conditions. Once accepted, you will be logged into Autodesk360 via the user name and password you created during registration. To update, click on the Settings button within the Autodesk360 folder. Click on the Downloads tab, and click on the Autodesk AutoCAD application. Click on Update and click on Apply to ensure the update is applied. If there is a download to accept, click on Accept to confirm the update. On the side of your Autodesk360 screen, you will see a green arrow. Click on the arrow and follow the steps to complete the process. If this does not work, there are
